Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing eleven (11) references to be considered by the Examiner.

PROSECUTION OF APPLICANT'S CASE(S) WITH RELATED SUBJECT MATTER

As mentioned in Applicant's Supplemental Information Disclosure Statement filed May 5, 2009, one or more pending applications and/or issued patents owned by Applicant may recite subject matter similar to the claims of the present application. Applicant requests the Examiner to consider the following Office Action(s) and/or associated response(s) by Applicant, some of which have been made of record since May 5, 2009, when determining the patentability of the pending claims of the present application. While Applicant does not believe it necessary to individually list every Patent Office communication, along with Applicant's associated response, for cases with related subject matter, Applicant is doing so as a courtesy and requests that the Examiner continue to monitor these applications.

Applicant notes that cited references, office actions, responses and/or notices of allowance currently exist or will exist for the above-referenced matters. Applicant also understands that the Examiner has access to sophisticated online Patent Office computing systems that provide ready access to, for example, specification and drawing publications, pending claims and complete file histories, including, for example, cited art, Office Actions, responses, and notices of allowance. Thus, Applicant respectfully requests that the Examiner review these file histories. However, if the Examiner cannot readily access these file histories, Applicant would be pleased to provide any portion of any of the file histories at any time upon request.

This Information Disclosure Statement is being filed before the mailing date of a final action and before the mailing of a Notice of Allowance. This Statement is accompanied by the fees set forth in 37 C.F.R. § 1.17(p).

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to Account No. 11-1410.
